THE UNION BANNER

SALISBURY, N. C., JULY 7, 1865.

J. J. STEWART. • EDITOR.

The Suspension of our Paper.

Many of our readers are, doubtless, curious to know why it is that the *Banner* has not made its regular visits to them of late. The cause is easily explained. We have issued no paper from this office since the 24th ultimo. We have been in limbo. By order of the military authorities we have been held in duress greatly to our injury, pecuniarily. We have been permitted to resume, however, and we trust that we shall be able in the future to avoid a similar occurrence. We shall certainly endeavor to avoid any cause of offense on our part, and of course, we shall be materially restricted in commenting upon matters in general. This we trust our readers will fully understand and appreciate.

All our efforts shall be devoted to the restoration of the union, of civil law, of fraternal feeling, and the welfare of our common country.

The order suspending us reads as follows.

HD'QRS DEP'T OF NORTH CAROLINA,
(*Army of the Ohio.*)
RALEIGH, N. C., July 21, 1865.

GENERAL ORDERS,
No. 111.

The publication of the "Daily Union Banner," Salisbury, N. C., will be suspended until further orders, for the publication on the 19th of July, 1865, of an article headed "The Freedmen," containing matter disloyal in spirit, and also the following paragraph, which is in substance false:

"General Ruger, General Howard, and Generals generally, are illustrating their peculiar views. If these gentlemen are to fix the status of 'our colored fellow citizens of the African descent,' where then the necessity of holding a convention? The same power that gives them this right, would entitle them to say what we should do in every other relation of life—they have already assumed the power to say what we shall drink and wear."

An order, prohibiting the wearing of insignia and badges of rank by persons lately officers of the insurgent forces, and one for the prevention of the sale of liquor, a police regulation, cannot honestly be construed as assuming "the power, to say what we shall drink and wear."

Brevet Brigadier General G. W. Schofield, commanding 1st [illegible] army corps, is charged with the execution of this order.

By command of Brev't Maj Gen. Ruger:
CLINTON A CILLEY,
Maj. & A. A. G.

The order restoring us to liberty and allowing us to resume the publication of our paper was received on Saturday evening last, and is as follows:

HD'QRS DEP'T OF NORTH CAROLINA,
(*Army of the Ohio*)
RALEIGH N. C., July 31, 1865.

GENERAL ORDERS
No. 118.

The editor and publisher of the "Salisbury Banner,"—the publication of which was suspended by General Order No. 111, July 21st, 1865, from these headquarters—having disclaimed wrong intention in the publication of the article for which the issue of said paper was suspended; and, having declared his intention to avoid giving just cause of censure in future, and his statement having been favorably endorsed by his Excellency, Governor Holden, he is hereby permitted to resume the publication of his paper.

Until the restoration and full operation of civil laws, publishers of newspapers, as well as public speakers, will be subject to the restrictions necessarily existing under military rule, and will not be permitted to discuss and criticise the acts of the military authorities with that freedom allowed where civil law is in full operation.

The public is not, under existing circumstances, the tribunal to which appeal should be made respecting the acts of the Commissioner of Freedmen or other officers of the government.

By Command of Brev't Maj. Gen. Ruger:
CLINTON A. CILLEY,
Maj. & A. A. G.

OFFICIAL:
JOHN CORBIN, Capt. & A. A. A. G.

The Congress.

The Congress sunk by the Merrimac in the Hampton Road's fight has not yet been raised, though *divers* attempts have been made to do so.

The Work of Reconstruction.

The work of reconstruction is going on rapidly, and each one of the Southern States are supplied with a Provisional Governor. In North Carolina our own beloved State, Governor Holden is pushing on the good work assisted by the confidence and support of all the people who have the interest and welfare of the old North State at heart. Mississippi is also fortunate in having Judge Wm. L. Sharkey, who has issued just that sort of proclamation that was needed and which by the liberality of its provisions will call every good man and true in the State to his support. The election will be held on the 7th of August. The Convention on the 14th. Lewis E. Parsons is running the State of Alabama and has issued a proclamation announcing the inauguration of measures for the restoration of civil government in that State. The 31st of August is the day appointed for the election of delegates to the State convention, which is to assemble on the 10th of September. The greater portion of the county and town officers who, under the rebel *regime*, were officiating on the 22d of May last, when rebel authority ceased, are reappointed to the positions, which they are to hold during the continuance of the provisional government; but they are all required to take the oath of allegiance to the national government and to give new bonds for the performance of their duties. The Governor comments on the present condition of the South and the ruin and suffering which the war has caused, but informs the people that notwithstanding this they have to-day every political right which they possessed before the war, excepting the right to hold slaves; and slavery, he tells them, is irrecoverably gone, and it is the part of wisdom to make the best they can of the new order of things.

His Excellency James Johnson, Provisional Governor of Georgia, has also issued his proclamation calling a State convention and appointing a day for electing delegates thereto. The election is to be held on the 4th of October, and the convention will assemble in Milledgeville on the 25th of the same month.—The citizens are reminded that in order to be entitled to vote or to become candidates for election to the convention they must previously subscribe to the oath of allegiance to the national government; and this they are earnestly advised to do. They are also informed that slavery is extinct, and that therefore no person in the State can hereafter control the labor of another, excepting so far as he may be legally entitled to do so by the terms of contract voluntarily entered into by the laborer. The administration of civil law, to a great extent, is to remain in abeyance till a State government shall have been chosen: but in the meantime order will be preserved, if necessary, by the military.

We have not heard from the lone star State whose new Governor is Andrew J. Hamilton. In South Carolina Benjamin F. Perry is rapidly conciliating public opinion, and the Land of Flowers, sweet Florida, will be remodeled in the hands of Wm. Marvin. The work of reconstruction progresseth, if the eternal negro question can be quieted and the fanatics will cease their cry for more blood and punishment, there will be naught before us but an open sea and a clear sky.

District of West North Carolina.

By a recent order the District of West North Carolina will be known as the sub-district of Morganton, and the district of Greensboro' will hereafter be known as the sub-district of Greensboro. The two sub districts will constitute the District of West North Carolina and will be commanded by Maj. Gen. Kilpatrick, head quarters in this place.

The last we hear of General Joseph E. Johnson he was at Buffalo springs. The rumor of his arrest is not true as he is protected from any arrest by his parole.

The Raleigh Progress says that one of the first official acts of the Clerk of this county, we believe, was to have printed a document which commenceth with "To any regular minister of the gospel, having the care of souls, or justice of the peace," etc., and singular to say, the first marriage license issued to John Rooster and Clementina Chicken.

Lt. Gen. R. H. Ewell has taken the amnesty oath and been released from Fort Warren.

The *Herald's* correspondent, writing from Fortress Monroe on the 26th says:

A second hour's walk inside the fortress was yesterday afternoon permitted Jeff Davis. The same guard attended him as in his first walk, and the same reticence was kept up both on his part and that of his guardian attendants.—The salutary effect of this out door exercise on the spirits of Davis is already apparent. If they are continued there can be no doubt of his health improving, if it is not wholly restored. Renewed rumors reach us of his speedy removal to Washington for trial, but no credit is given them.

A correspondent writing from Fortress Monroe, July 27, says Clement C. Clay still has allowed him, his out door walk. He is as pleasant, gentlemanly and philosophic as he was at the beginning of his incarceration here. His prison diet has been somewhat improved at the representation of his physician. He appears anxious to keep well. To this end he takes all the exercise he can get. For exercise sake he requested that he might be allowed the privilege of sweeping his casemate himself, and put it to rights. This request was granted. He also walks much in his casemate.

A BOY'S LAWSUIT.—Under a great tree close to the village, two boys found a walnut. "It belongs to me," said Ignatius, "for I was first to see it." "No, it belongs to me," cried Bernard, "for I was the first to pick it up," and so they began to quarrel in earnest. "I will settle the dispute," said the older boy, who had just then come up. He placed himself between the two boys, broke the nut in two, and said: "The one piece of shell belongs to him who first saw the nut; the other piece of shell belongs to him who picked it up; but the kernel I keep for judging the case. "And this," he said as he sat down and laughed, "is the common end of most lawsuits."

LOCAL.

TRIAL OF MISS. TEMPIE NEELY.

The trial of Miss Tempie Neely, of Mocksville, for the killing of her servant girl, took place last week at the Court House here, before a Military Commission, composed of officers of the U. S. Army: Lt. Col. Kise, President.—The evidence was of a conflicting character, but the intelligent tesstimony of her mother, plainly evidenced that the act was one of justifiable homicide. During the trial, Miss. Neely was surrounded with hosts of friends who warmly sympathized with her great trouble and distress. In fact the whole community feel the warmest interest in her behalf. She was defended by Hon. Nat. Boyden and M. Clement, Esq. The Commission have forwarded their decision to the reviewing officer and until we hear from him we will not know the verdict—we suppose it will be two or three weeks before the final result is known. We have no anxiety, however, as to the result, as the case was a plain one and all who were present are satisfied of the acquittal of Miss. Neely.

HOTELS.

We received a letter a few days since from a gentleman of the Yarborough House, Raleigh, N. C. in which he states that the House is now furnished with Ice water in the bar, the rooms, and on the table, with many other luxuries for the accommodation and comfort of the traveling public. We know that this House, under the control of its present proprietors, is elegantly furnished and well kept and cannot fail to meet the highest expectations of all those who make it their stopping place when visiting the city.

En Passant, we would not forget to call the attention of the traveling public to the fact that the Howerton House, in Salisbury, is one of the finest hotels in Western North Carolina. Dr. Howerton, the gentleman in charge, spares no pains to please his guest, and make them comfortable. He is a worthy gentleman and deserves an extensive patronage.

Neither would we forget the Walton House, Morganton, N. C. It is an old institution and too well known to require any recommendation at our hands. We invite attention to Messrs Hunt and Walton's advertisement in another column.

PIC NIC.

The Sabbath School children of Salisbury are to have a *pic nic* to-morrow, at "Chesnut Hill," near this place. No special invitations have been given to any; but we are requested to say that all Sabbath School children in town, their teachers, parents and friends, are desired and expected to attend.

Mr. HUNTER, "the Children's Friend," will deliver an address on the occasion. Several other addresses may be expected.

Persons wishing to participate in this festival are requested to meet at the Presbyterian church, at 8 o'clock, to-morrow morning, to join the procession.

Those who feel disposed to contribute melons, fruits, &c., for the enjoyment of the children may leave them at the store of Messrs. Blackwood & McLean, who will take charge of them for that purpose.

DEPRAVED HUMANITY.

On Saturday last in the streets right early in the morning there was a scene of great excitement. A female was found lying drunk under an uptown residence dressed in blue uniform coat and pants, carrying with her a bag containing proper female apparel. She looked no more than seventeen summers in spite of the wrinkles woven by the hand of sin in her shadowed complexion. Her eye was bright but it shone with a strange lustre—not with love and gentleness as it once perhaps did, but with hatred and defiance as she made the air vocal with the most horrid blasphemy. The Provost Marshal committed her to jail. She should be confined for the balance of her life, as humanity, when it sinks this low, is beyond the power of man to raise it from its filth and degradation.

H. H. HELPER, ESQ.

H. H. Helper, the Assessor for this district of North Carolina, has arrived and is about entering on the duties of his important office. He has furnished us very kindly with all the requisite information regarding the collection of the Internal Revenue law which we will give to our readers as time and space will permit.

A LOCAL LOSS.

The Salisbury *Union Banner* was felt by the citizens on its suspension to be a great local loss. It had become a daily morning visitor, and its return by the hands of the carrier to the residences of our citizens is a great local gain. All those who have not sent us their names should do so at once for after all what does a city amount to without its daily paper!

NEW STORE.

Our esteemed fellow citizen Maj. Turner has returned from the East bringing with him a select variety of goods. The ladies will be delighted to learn that they can now get anything in the way of dress, perfume, cosmetique; *Bijoutrie* or *Vertu* from a store that he has opened in the brick row on Main Street commonly known as "Cowan's Brick Row."

THE STREETS.

The streets are being neglected. Whose fault is this? This is the very season now when street police regulations should be carried ont, as we are in the unhealthy month.

REAL ESTATE AGENCY

NORTH CAROLINA ADVERTISER.

THE UNDERSIGNED HAVE ESTABLISHED in the City of Raleigh, an Agency for the purpose of buying and selling Real Estate is North Carolina. In connection therewith, and as auxiliary thereto, they will publish a double sheet twenty-four column weekly newspaper, wherein will be advertised free of cost, all lands offered for sale through their agency, and which will be devoted to the dissemination of information concerning the agricultural, mineral, manufacturing, and other resources of the State. By means of competent Agents in every County they will show the present advancement and special capabilities for future development of each.

It will be found, on investigation, that no State in the Union can present such a combination of advantages as North Carolina. Situated midway between the colder regions of the North and the more tropical climes of the South, its lands stretching from the sea coast to the mountains, yield bountiful returns of cotton, tobacco, rice, grain, fruits, pasturage, grapes and other products, while in its bosom lie rich mines of gold and iron, copper, lead, coal, and other minerals, its rivers afford water power sufficient for the most extensive factories, and in its forests are boundless supplies of naval stores, timber and material for tanning. Under the recent change in the system of labor it becomes the interest of proprietors to part with a portion of their real estate, and it is the object of this enterprise, through agencies in Boston, New York, Philadelphia, Baltimore, Washington, and other chief cities, to bring these abundant resources of the State to the notice of men of energy and capital, to get together the seller and the buyer, and to aid in starting North Carolina in a career of prosperity heretofore unknown.

The ADVERTISER will be furnished free of charge to all customers, and to others at one dollar per annum. The first number will be issued by the 1st of July, or sooner, if the type and necessary material already ordered, can be procured from New York before that time. Those desirous to advertise in the first number will please communicate to the undersigned at once. Moderate commissions will be charged where sales are made,

NEW SKIRT FOR 1865

The Great Invention of the Age in

HOOP SKIRTS.

J. W. BRADLEY'S NEW PATENT DUPLEX ELLIPTIC, (OR DOUBLE) SPRING SKIRT. This invention consists of Duplex (or two) Elliptic Pure Refined Steel Springs, ingeniously braided tightly and firmly together, edge to edge, making the toughest, most flexible, elastic and durable Spring ever used. They seldom bend or break, like the Single Springs, and consequently preserve their perfect and beautiful shape more than twice as long as any single spring skirt that ever has or can be made.

The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt will be experienced particularly in all crowded assemblies, operas, carriages, railroad cars, church pews, arm chairs, for promenade and house dress, as the skirt can be folded when in use to occupy a small place as easily and conveniently as a silk or muslin dress.

A lady having enjoyed the pleasure, comfort and great convenience of wearing the Duplex Elliptic Steel Spring Skirt for a single day will never afterwards willingly dispense with their use. For children, Misses and Young Ladies they are superior to all others.

The Hoops are covered with 2 ply double twisted thread and will wear twice as long as the single yarn covering which is used on all single steel hoop skirts. The three bottom rods on every skirt are also Double Steel, and twice or double covered to prevent the covering from wearing off the rods when dragging down stairs, stone steps, &c., &c., which they are constantly subject to when in use.

All are made of the new and elegant corded tapes, and are the best quality in every part, giving to the wearer the most graceful and perfect shape possible, and are unquestionably the lightest, most desirable comfortable and economical skirt ever made.

AMNESTY PROCLAMATION.

The terms of Pardon—Who are to be restored to citizenship and who are to be disfranchised—Those who are excluded from the Amnesty may make special application to the President for Pardon.

PROCLAMATION BY THE PRESIDENT OF THE UNITED STATES.

Whereas, the President of the United States, on the 8th day of December, A. D., 1863, and on the 29th day of March, A. D. 1864, did, with the object to suppress the existing rebellion, to induce all persons to return to their loyalty, and to restore the authority of the United States, issue proclamations offering amnesty and pardon to certain persons who had, directly, or by implication, participated in the said rebellion; 'and whereas many persons who had so engaged in said rebellion, have since the issuance of said proclamation, failed or neglected to take the benefits offered thereby; and whereas many persons who have been justly deprived of all claim to amnesty and pardon thereunder by reason of the re-participation, directly, or by implication, in said rebellion and continued hostility to the government of the United States since the date of said proclamation, now desire to apply for and obtain amnesty and pardon:

To the end therefore, that the authority of the government of the United States may be restored, and, that peace order and freedom may be established, I Andrew Johnson, President of the United States, do proclaim and declare that I hereby grant to all persons who have directly or indirectly participated in the existing rebellion, except as hereinafter excepted, amnesty and pardon, with restoration of all rights of property, except as to slaves, and except in cases where legal proceedings, under the laws of the United States providing for the confiscation of property of persons engaged in rebellion, have been instituted, but on the condition, nevertheless, that every such person shall take and subscribe the following oath or affirmation, and thenceforth keep and maintain said oath inviolate, and which oath shall be registered for permanent preservation, and shall be of the tenor and effect following, to-wit:

I, ——— ———, do solemnly swear or affirm, in presence of Almighty God, that I will henceforth faithfully support and defend the Constitution of the United States and the Union of the States thereunder, and that I will, in like manner, abide by and faithfully support all laws and proclamations which have been made during the existing rebellion with reference to the emancipation of slaves. So help me God.

The following classes of persons are excepted from the benefits of this proclamation:

First—All who are or shall have been pretended civil or diplomatic officers or otherwise, domestic or Foreign agents of the pretended Confederate Government.

Second—All who left judicial stations under the United States to aid the rebellion.

Third—All who shall have been military or naval officers of said pretended Confederate Government above the rank of Colonel in the army or Lieutenant in the navy.

Fourth—All who left seats in the Congress of the United States to aid the rebellion.

Fifth—All who resigned or tendered resignations of their commissions in the army or navy of the U. S. to evade duty in resisting the rebellion.

Sixth—All who have engaged in any way in treating otherwise than lawfully as prisoners of war persons found in the U. S. service, as officers, soldiers, seamen, or in other capacities.

Seventh—All persons who have been or are absent from the U. S., for the purpose of aiding the rebellion.

Eighth—All military and naval officers in the rebel service who were educated by the government in the Military Academy at West Point, or the U. S. Naval Academy.

Ninth—All persons who held the pretended offices of Governors of States in insurrection against the United States.

Tenth—All persons who left their homes within the jurisdiction and protection of the United States and passed beyond the federal military lines into the so-called Confederate States for the purpose of aiding the rebellion.

Eleventh—All persons who have been engaged in the destruction of the commerce of the United States upon the high seas, and all persons who have made raids into the United States from Canada, or been engaged in destroying the commerce of the United States upon the lakes and rivers that separate the British provinces from the United States.

Twelfth—All persons who, at the time when they seek to obtain the benefits hereof by taking the oath herein prescribed, are in military, naval or civil confinement or custody, or under bonds of the civil, military, or naval authorities or agents of the United States, as prisoners of war or persons detained for offences of any kind either before or after conviction.

Thirteenth—All persons who have voluntarily participated in said rebellion, and the estimated value of whose taxable property is over twenty thousand dollars.

Fourteenth—All persons who have taken the oath of amnesty as prescribed in the President's proclamation of December 8, A. D. one thousand eight hundred and sixty-three, or an oath of illegiance to the government of the United States since the date of said proclamation and who have not thenceforward kept and maintained the same inviolate.

Provided that special application may be made to the President for pardon by any person belonging to the excepted classes, and such clemency will be liberally extended as may be consistent with the facts of the case and the peace and dignity of the United States.

The Secretary of State will establish rules and regulations for administerting and recording the said amnesty oath so as to insure its benefits to the people, and guard the government against fraud.

In testimony whereof, I have hereunto set my hand and caused the seal of the United States to be affixed. Done at the City of Washington the 29th day of May, in the year of our Lord 1865, and of the independence of the United States the 89th.

ANDREW JOHNSON.
